LECTURERS

Marc Bloomenstein, O.D., F.A.A.O.

Dr. Bloomenstein is currently practicing at the Schwartz Laser Eye Center and Northern Avenue Eye Center in Scottsdale, Arizona. He graduated from the New England College of Optometry. He had a residency in Secondary Ophthalmic Care from the Barnet-Dulaney Eye Center in Phoenix. He is an Adjunct Assistant Professor at the Southern California College of Optometry and the New England College of Optometry. Dr. Bloomenstein belongs to numerous professional associations and advisory boards. He has been involved in dozens of presentations, publications, and clinical investigations.

Richard A. Erdey, M.D.

Dr. Erdey is a cataract, corneal and refractive specialist and is board certified. His training included an ophthalmology residency at North Shore Cornell Medical Center where he was chief resident. He then did a Cornea Fellowship at The Ohio State University and subsequently co-directed the Cornea Research Laboratory at The University of Rochester. He reestablished his practice in Columbus in 1992, and is currently the Medical Director at both the Erdey Searcy Eye Group and East Columbus Surgery Center. Dr. Erdey has published numerous articles and lectures extensively.

Gregory D. Searcy, M.D.

Dr. Searcy is a board certified ophthalmologist practicing at the Erdey Searcy Eye Group in Columbus. He is also a Clinical Assistant Professor at The Ohio State University. Dr. Searcy graduated with a doctor of medicine degree from The Ohio State University. He was a resident and chief resident at the St. Francis Medical Center Department of Ophthalmology in Pittsburgh. Dr. Searcy has given numerous presentations and has been involved in numerous clinical studies.

Daryl Kaswinkel, M.D

Dr. Kaswinkel is a board certified ophthalmologist practicing at the Erdey Searcy Eye Group (Columbus and Newark-Granville locations). He received his doctor of medicine degree from the University of Tennessee. He is fellowship-trained in cornea, external disease, uveitis, refractive and glaucoma surgery from the University of Louisville. He has extensive experience in a variety of Ophthalmology practices.
